

## POLICE BEAT BACK INDIANAPOLIS MOB; MANY SHOTS FIRED

2,000 Men Attack Jail in Effort  
to Lynch Negro Who Mur-  
dered Little Girl.

INDIANAPOLIS, April 22.—Because of the difficulty the Indianapolis police had last night in dispersing a mob of more than 2,000 men bent upon storming the Marion County Jail and lynching William Ray, colored, nineteen years old, confessed slayer of fourteen-year-old Martha Hurt, a white girl, the authorities fear another attempt will be made. The mob was poorly organized and without apparent leadership, while Chief of Police Kinney has almost the entire police force of Indianapolis on duty guarding the approaches to the jail.

Leon Harris, colored, nineteen years old, was shot in the neck and in the left leg while running from a crowd of men through the heart of the business district of the city. He was taken to the city hospital. John J. Gray, thirty-seven, of Louisville, Ky., was arrested on charges of carrying concealed weapons and shooting within the city limits. Ten shots were fired by the mob. Fifteen men were arrested on charges of disorderly conduct and inciting a riot.

Ray was arrested Wednesday and signed a written confession of the crime, which was committed Monday night Thursday afternoon, in a second statement, he admitted, the police say, that he stabbed the girl when she screamed and fought him. He threw her body into the swollen Eagle Creek.

Ray entered a plea of guilty when arraigned in City Court yesterday. He was held for the Grand Jury on a charge of murder.

A mob of several hundred gathered in front of the jail early but were dispersed by the police under Harry D. Smith, Adjutant General of the State.

## Negroes March on Kansas Town to Avenge Lynching.

PITTSBURG, Kan., April 22.—Negroes from Croweburg, Kan., a mining camp, are reported marching to Mulberry, Kan., where a negro was lynched last Monday, following an attack on a white girl. A Mulberry business man reported over long distance telephone that the hardware stores had been opened to the public for arms and ammunition. Guards have been thrown around the town.

## ARMISTICE IN CHURCH ROW.

Church Resolves Dispute on Green-  
wood Heights Case.

Disensions and fistuffs which have split the congregation of the Greenwood Heights Reformed Church of Brooklyn, into two factions, were further aired in court to-day. The Trustees, under the banner of the Min-

ster, the Rev. Henry Tyndall, and the Burdett, rallying around Henry Burton Jr., a teacher in the Sunday School, testified in reference to the row in the schoolroom in which Stanley Tyndall, son of the Minister, struck Mr. Burton when the latter sought to take a chair from the Tyndall side of the room to that strategically occupied by the Burton forces.

When Mr. Burton took the chair, he says, another son of the Minister struck him. Magistrate O'Neill reserved decision until Wednesday. So an armistice was declared.

## Seventy Thousand Workers Strike in Vienna.

VIENNA, April 22.—Industrial workers to the number of 70,000 went on strike here to-day, having failed to obtain the increase in pay they had demanded. The workers in the gas and electric plants and those having to do with the production and distribution of bread, milk and other necessities will continue at their tasks until Monday.
